

Global Study Plan - Semester

This form is a planning tool to assist you in identifying Global Study programs that align with your academic goals.

Instructions:

1. Identify your remaining curriculum requirements to take while abroad and complete the section under Degree Evaluation. Students are expected to enroll in Core courses, Major or Minor courses, and Elective courses at an appropriate level of instruction for at least 4 days per week.
2. For program specific academic requirements, please visit the respective program brochure page.
3. Review Study Abroad location’s Database of Approved Courses to identify courses that fulfill remaining requirements from your degree evaluation.
4. Bring the completed form to an **academic advisor** for consultation and discussion. Please contact your **academic advisor** should you need guidance identifying open degree requirements.

This form does not register for you for classes. Completed forms should be scanned and uploaded to your Study Abroad application by **December 1**.
